To whom it may concern

Dear Sir/Madam

**RE: FARM 6/120, 10/2/120, 11/3/120 & 1/640 - CONFIRMATION OF  
WATER RIGHTS.**

This serves to confirm that the above-mentioned water user appears in our registry. Our records indicate that this farm has an allocation of 396, 068 m<sup>3</sup>/annum (three hundred and ninety six thousand sixty eight cubic meters per annum) from the Usushwana River (Malkerns Canal) enough to irrigate 36.4 ha (thirty six point four hectares) of any crop including sugarcane. This allocation is recorded in the General Notice No. 12 of 1971 in favor of [REDACTED] Estates who then transferred land ownership to Mr. [REDACTED] nene who is the current owner of the farm.

In accordance with section 37(9) of the Water Act 2003, you are required to install and maintain a measuring device at your abstraction point before any water is diverted to your scheme.

Please be advised that this confirmation is valid for a period not exceeding three (3) years from the date above and shall be endorsed by the Usuthu River Basin Authority in their upcoming meeting.

You are further required to provide your water abstraction data on your undertaking annually

Yours Faithfully,
